

# city product summary

## description

City features 40mm HPL faced Chipboard with a Flush Front, rebated mating style. An aluminium headrail and feet ensure the cubicle stands strong and rigid, while the edges of the panels are a mix of Laser edge-banding of a Polypropylene strip for improved moisture and a hardwood lip to the rebated edges.

Available in Prospec Standard 25 colour range, City adds an executive feel to any washroom.

## features

- Flush fronted rebated mating style cubicle
- 40mm chipboard core with HPL facing with hardwood lip
- PP laser edge banding for invisible bond with increased moisture resistance
- Available in Prospec standard 25 colour collection
- Hardware include aluminium door furniture, stainless steel hinges and aluminium profiles.
